

# CALLING STUDENTS & POSTGRADS

Join a leading international educational forum of professionals to explore frontier issues between science, consciousness and wellbeing, and help discover a meaningful balance in life for shared global benefit.

**FREE - STUDENT AFFILIATE FOR TWO YEARS  
(SAVE £20)**

Join us in co-creating new paradigms to help shape and develop the future of scientific thinking.

## Benefits include

A private social networking space, and access to weekly online meetings including intellectual dialogue, networking, and guided meditation.

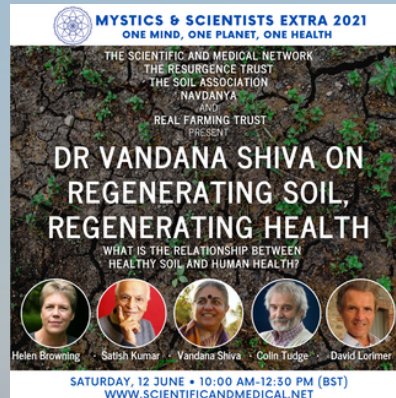

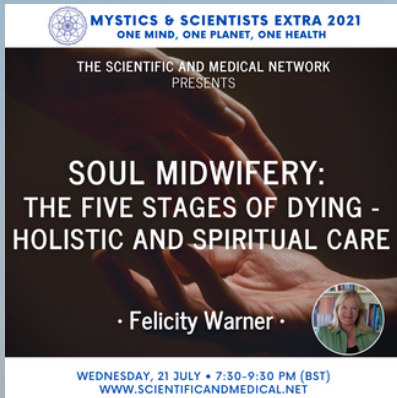

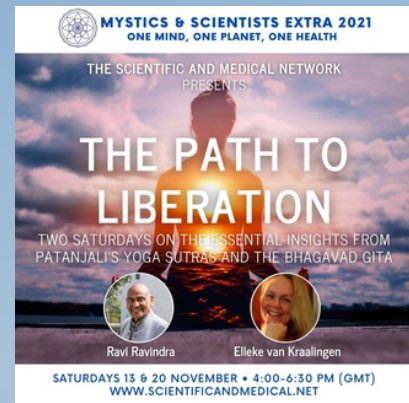

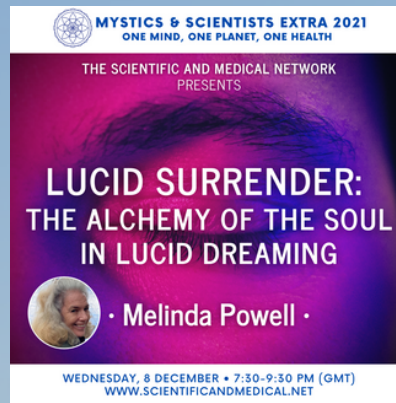

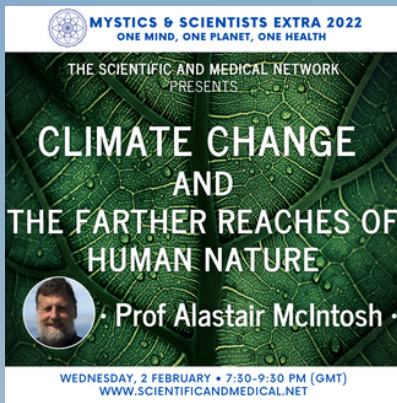

Inspiring educational events and conferences at the forefront of research (see next page).  
- Concessionary tickets available for students.

Our regular educational e-journal: Paradigm Explorer, and newsletter: Towards a New Renaissance.

Here are some examples of recent educational events and conferences.  
Recordings of all our webinars are a member benefit.

Our regular online members events and resources are a great way to explore, discuss and contemplate particular areas of interest.

**Monday evenings:** Members' Dialogue

**Friday evenings:** Virtual Bar

**Sunday evenings:** "Into the Stillness" - Guided Meditation

**Plus access to...**

- Regular "Bookcast" (Podcast)
- Monthly Book Briefing
- Hundreds of recordings of events and conferences
- Hundreds of past articles from our journal
- Several thousand book reviews
